Course Change Request Form

1. Date: January 24, 2014  Department: Music

2. Purpose and nature of change (include relevant assessment data to support this proposal): Revise faculty load to reduce departmental costs. Currently load for large ensembles (enrollment greater than 20 students) is calculated based on lecture credits, while small ensemble load is based upon lab credits. Faculty in the Music Department have approved a new formula that combines lecture and lab credits as follows:

   a. Large ensembles meeting four hours per week – load will be calculated based upon two lecture credits and two lab credits. (MEN 3300, 3330, 3331, 3350)
   b. Large Ensembles meeting three hours per week – load will be calculated based upon two lecture credits and one lab credit. (MEN 3301, 3332, 3335)
   c. Small Ensembles meeting two or three hours per week – load will be calculated based upon lab credits. (MEN 3303, 3304 3337, 3352)
   d. Small Chamber Ensembles meeting once per week – contact time will be reduced to ½ per week, reducing the associated load from .666666 to .333333. (MEN 3305, 3310, 3333, 3336, 3331, 3357, 3360)
   e. Opera Workshop (MEN 3302) and Musical Theatre (MEN 3306) will continue to receive 3 load hours.
