Overview of course:

This course is designed for students who have little to no experience studying Spanish (two or less years of High School Spanish). In this *college-paced* course students will develop fundamental communicative skills in Spanish (speaking, listening, reading, and writing). Every student is expected to practice these skills daily (both in class, online, and at home). During the course, students will encounter a variety of activities with a *cultural focus*. The format of class evaluations will assess student *performative* communication skills and *cultural awareness*. Daily homework and laboratory work will be assigned.

Student Learning Outcomes:

Every Spanish course is designed to help students meet the New General Education Learning Outcomes for Global Perspectives Option 1. The Specific Course Learning Outcomes mentioned below represent only one segment in a sequence of language courses that is designed ultimately to fulfill General Education requirements. In order to receive credit for completing the New GE Outcomes, students in 1000 or 2000 level language courses may not take the course as “pass/fail”.

At the professor’s discretion, certain assignments may be anonymously collected during this course and used to assess student completion of any of the SLOs mentioned below. Collected items may include: (1) written exams, (2) reading assignments, (3) writing assignments, and (4) video-taped oral presentations.

Cell Phone, Computer, and Social Media Policy:

In the interest of preserving an effective learning environment, cell phones must be turned off or set to “vibrate” during class. In order to keep from disturbing others, you must leave the classroom to accept an emergency call. During the class, students may not engage in any form of social media, send texts or email, or surf the web on non-course related matters on any compatible electronic device. If a student disregards these guidelines, this will result in the device being taken by the professor and turned off for the remainder of the course. Also, his/her participation score will be reduced to 1/2-day unexcused absence. **Cell phones, laptop computers, etc. can be used to complete any class-related activities assigned during the same course hour.**

Quizzes, Midterm, Final Exam:

Students MUST take each quiz, Midterm, and Final Exam on the day scheduled for examination. If a student is absent from any quiz, Midterm, or Final Exam, then s/he will receive a zero (unless the student has made a **prior** arrangement with the professor or can provide the professor with a copy of the signed excuse from a physician, coach or other authority **no later than** the first class period after the excused absence). *The Midterm Exam and Final Exam will be comprehensive and accumulative in content.* Students with a 93.1% or higher cumulative course grade (following the Final Listening Exam), will excused from taking the Final Exam (written portion). The idea of “dropping of low exam or quiz scores” does NOT exist in this course nor does extra credit.

Homework and Lab Activities:

It is the student's responsibility to complete and maintain a record for each homework or lab activity assigned in class or electronically through the [Heinle Learning Center](#) site. Any homework assignment or lab activity should be submitted in a timely manner allowing the professor and students to track student progress and give/receive feedback. Any assignment that is turned-in late will not count for homework credit. If you have problems using the electronic media, please consult with the instructor or lab assistant ASAP. Not knowing how to use the media or incorrectly registering the media will not be accepted as an excuse for late homework.

D2L Discussion Board:

Please, refer to Dr. Keeth's Discussion Board in [D2L](#) for a description and example of the weekly Discussion Board entries that each student must turn in. Each weekly assignment is graded "Pass" or "Fail", where "Pass" equals 1pt and "Fail" equals 0pts. For instance, in a ten week semester there would be ten points possible. At his discretion, the professor may assign extra points for exceptional entries.

Oral Presentations:

Please, refer to the Oral Presentations Guide: [Part 1](#) / [Part 2](#). Students need to make their Oral Presentations on the day scheduled for this examination. (Please refer to the [MU Attendance Policy](#) regarding the legitimate conditions for a make-up).

Class Participation:

Regular and punctual class attendance is expected. In order for an absence to be considered "excused" a student must document any illness, serious mitigating circumstances, or official university representation. Any "unexcused" absence will result in a 15% reduction in the student's final Participation grade at the end of the semester.

Class participation to be evaluated in accordance with the [General Guidelines for Class Participation](#) and in accordance with the system of [Peer Scoring of Class Participation](#). Students will receive participation scores from their peers as well as the professor (60% professor, 40% peers). Any partial absence (over 15 minutes) will result in a maximum score of 2.5 for the day.

Academic Integrity:

The integrity of all scholarly work is at the foundation of an academic community. Students are expected to do their own academic work. Dishonesty in academic work, including cheating, academic misconduct, fabrication, or plagiarism, is unacceptable. Faculty are expected to instruct students in ways of avoiding these forms of academic dishonesty. Faculty are also responsible for assessing and reporting all charges of academic dishonesty to the appropriate Dean. MU's Academic Integrity Policy can be found at <http://www.mansfield.edu/academic-affairs/faculty-resources/upload/Mansfield-University-Process-for-Reporting-Academic-Integrity-Violations-Rev-3-09.pdf> and the Academic Dishonesty Form may be accessed here or from the Academic Affairs website.

Copyright:

The University fully supports the Copyright Laws of the United States. Respect for intellectual labor and creativity is vital to academic discourse and enterprise. This principle applies to any original work in any tangible medium of expression. Images displayable on computer screens, computer software, music, books, magazines, journals, photographs, and articles are among items subject to copyright. A work need not be explicitly labeled with a copyright notice to be afforded copyright protection. For more information on Copyright please consult the Mansfield University Copyright Information website:

<http://mansfield.libguides.com/copyright> .

Student Consumer Rights and Responsibilities:

The Higher Education Opportunity Act (HEOA) was enacted in 2008 and reauthorized the amended Higher Education Act of 1965. HEOA requires postsecondary educational institutions to distribute or make publicly available a broad range of information collectively known as Student Consumer Information.

Topics covered under HEOA include student financial aid, campus health and safety, student outcomes, as well as general institutional information. Mansfield's Student Consumer Information website is located at this link: <http://mansfield.edu/HEA/>.

Title IX and Protection of Minors Legislation:

In order to meet this commitment and to comply with Title IX of the Educational Amendments of 1972 and guidance from the Office for Civil Rights, the University requires faculty members to report incidents of sexual violence shared by students to the University's Title IX Coordinator. The only exceptions to the faculty member's reporting obligation under Title IX are when incidents of sexual violence are communicated by a student during a classroom discussion, in a writing assignment for a class, or as part of a University-approved research project. Frank Crofchick (570-662-4342, fcrofchi@mansfield.edu) serves as Mansfield University's Title IX Coordinator. Additional information regarding the reporting of sexual violence and the resources that are available to victims of sexual violence is set forth at:

<http://www.mansfield.edu/title-ix/upload/Title-IX-Policy-FINAL-7-2016.pdf>;

<http://www.mansfield.edu/title-ix/resources.cfm> (Title IX Resources), and

<http://www.mansfield.edu/title-ix/bill-of-rights.cfm> (Sexual Misconduct Victims' Bill of Rights) Reports of Title IX matters should be directed to titleix@mansfield.edu.

Protection of Minors Requirements:

Faculty members are obligated to report sexual violence or any other abuse of a student who was, or is, a child (a person under 18 years of age) when the abuse allegedly occurred, to Kristina Wood (570-389-4414) as designated in the University's protection of minors policy. No exceptions apply to this reporting obligation. Mansfield University's Protection of Minors policy is available at

<http://www.mansfield.edu/hr/protection-of-minors.cfm>.

The Syllabus:

This syllabus serves as a contractual agreement between you and Dr. William P. Keeth, the Instructor of Record for this course. *Only the Instructor of Record may issue your course grade.* Presence in this class

means that you agree to the items stipulated in the syllabus and are aware of any modifications made throughout the semester. One should periodically check the course web site for any updates to the syllabus and/or class calendar.

Class records and Grades:

Oversee your grade by monitoring your progress and maintaining contact with your instructor. Any student material or record that has been returned to the student becomes the student's responsibility to maintain as a permanent record for the course. Students are responsible for picking up any materials that are made available to them or are returned in class. If a student loses these records and the professor does not have a copy of the material available, the student will receive a failing grade for the particular activity

Students Requesting Academic or Access Accommodations

Students with documented learning disabilities, physical challenges, mental health diagnoses, or other significant medical conditions whose learning or participation may be affected in this course, should meet with the Coordinator of Services for Students with Disabilities (SSD Coordinator) in the Office of Services for Students with Disabilities located in the Department of Academic and Human Development (144 South Hall, Phone: 570/662-4436) for a review of qualification for reasonable accommodations. It is recommended that students contact the SSD Coordinator during the first two weeks of classes or immediately upon diagnosis to ensure accommodations are met in an efficient, appropriate, and timely manner for the best student learning outcome. Upon qualification, the Coordinator will arrange to provide an accommodation letter to the professor for the identification of academic or accessibility adjustments. You must contact the Office of Services for Students with Disabilities to renew accommodation letters at the start of each semester.
